1   Based on one-sided printing. Change from default setting required.
2   ISO print speed based on ISO/IEC 24734 (after first set of ISO test pages). For more details, please visit www.brother-usa.com/printspeed.
3   From ready mode and standard tray.
4   Color and monochrome scan speeds in accordance with ISO/IEC 17991 with all advanced features turned off, using letter-sized paper at 200/300dpi.5 Using ITU-T Test Chart #1 with JBIG coding and standard resolution.
6   May require free download. Compatibility may vary by device and operating system. May require connection to a wireless network.
7   Requires an Internet connection and an account with desired service.
8   Requires additional purchase.

9   Maximum capacity based on using 20 lb. paper.
10   Print speed may vary depending on size/type of paper used and paper source.
11   Approximate toner cartridge yields in accordance with ISO/IEC 19798 (letter/A4).
12   Actual yield of initial cartridges will be approx. 89% of replacement LC406XL black and 39% of replacement LC406XL Color Series, due to ink system initialization. All replacement cartridges will provide approximate page yield stated in accordance with ISO/IEC 24711.
13   Duplex printing is default setting.
14   Approximate toner cartridge yields in accordance with ISO/IEC 19752 (letter/A4).
